**MIAMI-DADE COUNTY, FLORIDA
NOTICE TO PROFESSIONAL CONSULTANTS
PUBLIC WORKS AND WASTE MANAGEMENT DEPARTMENT
DESIGN SERVICES FOR THE REPLACEMENT OF THE
NORTH MIAMI AVENUE BRIDGE (NO. 874035) NORTH OF NW 146 STREET
PROJECT NO. E14-PWWM-05**

The County Mayor, Miami-Dade County, pursuant to Chapter 287.055, Florida Statutes, Sections 2-8.1 and 2-10.4 of the Miami-Dade County Code, Implementing Order 3-34, and Administrative Order 3-39, announces that the Miami-Dade Public Works and Waste Management Department will require one (1) qualified consultant to provide design services for the replacement of the North Miami Bridge (No. 874035) north of NW 146 Street.

The Consultant shall provide engineering design and post-design services in the preparation of a complete construction document for the replacement of the existing North Miami Avenue Bridge (No. 874035). The project shall include the complete replacement of the bridge. The work includes, but is not limited to roadway approaches, maintenance of traffic, utility impacts, geotechnical investigations, preparation of any required special provisions, quantities, cost estimates, load rating, permits, and all of the necessary incidental items for a complete project.

The Consultant will be required to become familiar with the existing bridge as well as any existing documents, such as plans, studies, and to incorporate any findings in the preparation of the required documents in order to allow PWWM to secure a construction bid.

The Consultant will also be required to prepare and submit for approval a Bridge Report after consultation with County staff and prior to plans preparation, describing the project limits, typical sections, possible design exceptions, methods of construction and utility relocations, and the results of the public involvement efforts required by County Ordinances.

The contract term is seven hundred and thirty (730) days, which includes time (three hundred and sixty five (365) days) for post-design services during construction. This Agreement shall remain in full force and effect for two (2) years after its date of execution or until completion of all project phases, whichever occurs last, unless terminated by mutual consent of the parties hereto. Maximum compensation is two hundred and seven thousand and twenty dollars (\$207,020.00), inclusive of contingency.

A/E TECHNICAL CERTIFICATION REQUIREMENTS

Prime

- 3.02 HIGHWAY SYSTEMS – HIGHWAY DESIGN
- 3.03 HIGHWAY SYSTEMS – BRIDGE DESIGN

This document is a draft of a future solicitation and is subject to change without notice. This is not an advertisement.
